In this course you will be using MasteringChemistry, an online tutorial and homework program.

Note: If you have joined a MasteringChemistry course before with the same textbook, save time by following the guide for joining another course found at www.masteringchemistry.com >Tours & Training> Getting Started> Students

What You Need:
- A valid email address
- A student access code
  (Comes in the Student Access Code Card/Kit that may have been packaged with your new textbook or that may be available separately in your school’s bookstore. Otherwise, you can purchase access online at www.masteringchemistry.com.)  DO NOT THROW AWAY the card that came in your textbook!
- Your School Zip Code:_______________
- A Course ID: MUENCHCHEM161SUM13

1. Register
   - Go to www.masteringchemistry.com and click Students under Register.
   - To register using the student access code inside the MasteringChemistry Student Access Code Card/Kit, select Yes, I have an access code. Click Continue.
   - OR – Purchase access online: Select No, I need to purchase access online now. Select your textbook, whether you want access to the eText, and click Continue. Follow the on-screen instructions to purchase access using a credit card. (The purchase path includes registration, but the process is a bit different from the steps printed here.) **Be sure to choose the RIGHT version of your textbook!**
   - License Agreement and Privacy Policy: Click I Accept to indicate that you have read and agree to the license agreement and privacy policy.
   - Select the appropriate option under “Do you have a Pearson Education account?” (Yes, No, or Not Sure)
   - Continue to give the requested information until you complete the process. The Confirmation & Summary page confirms your registration. This information will also be emailed to you for your records. You can either click Sign In Now or return to www.masteringchemistry.com later.

2. Sign In
   - Go to www.masteringchemistry.com.
   - Enter your Login Name and Password that you specified during registration and click Sign In.

3. Join Your Instructor’s Online Course and/or Open Self-Study Resources
   When you first Sign In, you’ll be asked to do one or more of the following:
   - Join a Course by entering the MasteringChemistry Course ID provided by your instructor. If you don’t have a Course ID now, you can return to join the MasteringChemistry course later. When you join a course, you may also be asked for a Student ID (if your professor requested this, follow the on-screen instructions).
   - If you do not have a Course ID, you can Explore the Study Area or Launch Your eText, if these resources are available for your textbook.
